**Strategic Agreements**

***Strategic Agreements with a UK Challenger Bank and Top 5 UK House Builder***

ULS Technology plc (AIM: ULS), the provider of online B2B platforms for the UK conveyancing and financial intermediary markets, announces it has signed two strategic agreements with new business partners.

The first agreement is with a leading challenger bank in the UK and supports the Company's stated strategy of growing its market share of the conveyancing market through securing new agreements with lenders in the UK.

The second agreement is with one of the UK's top 5 housebuilders and reflects a new initiative by the Company to penetrate the new build conveyancing markets through direct agreements with house builders.

**Ben Thompson, Chief Executive of ULS Technology plc, commented:** "I am pleased to announce we have reached agreement to launch our conveyancing service with these two strategic partners. In aggregate, these two agreements are expected to increase the Company's new instruction pipeline to further expand our share of the UK conveyancing market."
